Approx Time	Activity Description	Equipment Required	Leaders
4:30	Inspection: Opening Ceremony		All
4:40	*Owl Post Cubs all sit in a circle. First person has an envelope with a cubs name on it eg: Sam. They must walk around the circle and drop it behind the Sam's back. Sam must pick up the envelope and chase the cub back to their spot. Sam then opens the envelope with the next name inside to continue.	Envelope with 6 or 7 folded pieces of named paper, one inside the other.	Hathi
4:50	Sorting Hat Cubs run around the circle and (one at a time) put their hand into the sorting hat to pull out a coloured ball. That is their team for the night.	4 sets of coloured balls, 'sorting hat'	Ben
4:55	*Quidditch One team is the 'running' team, the rest are the fielders. The fielders stand either side of the running course behind witches hats. The first runner must try and run down the centre to get the 'golden snitch' without being hit. The fielders try and get the runner out by throwing balls. If hit by a ball the runner sits and can block balls but cannot get up and move. The next runner continues trying no to be hit. If all are hit, swap to another team.	Small yellow ball (snitch), 3 or 4 medium balls, witches hats	Chil
5:10	*Race for the Philosopher's Stone 3 people are joined together as 'Fang'. They have to try and tag as many Cubs as they can. If tagged Cub must whistle 'Happy Birthday' before they can move again.	Nil	Darby
5:20	*Womping Willow One cub stands in the middle of the hall as the Womping Willow. Cubs must try and run to the other side of the hall without being tagged. If tagged the cub is rooted to the spot to help the Willow tag others.	Nil	Chil
5:30	Potions Class <i>Helious</i> – half fill balloon with powdered bicorn horn. Pour a cup of tantacula acid into the empty bottle. Attach the balloon to the top of the bottle and watch the balloon blow up by itself. <i>Divination</i> – pour unicorn milk into a shallow saucer. Place a few drops of unicorn tears around the outside. Tap the surface with a wand dipped in pond slush and watch the colours swirl. <i>Dragon Snot</i> – pour some leech juice into a small ziplock bag and add some drops of unicorn tears. Add dragon bile a little at a time and mix with your fingers. Knead until it becomes a putty.	Balloon, bicard soda, vinegar Milk, food colouring, toothpick, detergent Water, food colouring, cornflour	Ben/Hathi Chil/Darby
5:45	Broomstick Relay In relay formation, Cub rides broom up to end of hall and back to team.	4 sticks	Hathi
