

Zero Zero Zero
(Hooley Dooleys)

What number do you press there on your telephone?

What number do you press there when you're all alone?

What number do you press there on your telephone?

You need help and you're all alone.

What number do you press on your telephone?

You remember what it is?

Zero Zero Zero
Zero Zero Zero

Accidents happen big and small maybe a scratch maybe a fall

Someone's hurt and can't move at all, then check them out,

Squeeze and shout

There's no grown ups about you're alone, find the phone pick it up hear that dial tone
press Zero Zero Zero

It looks like a circle

Now Someone there will talk to you they'll have questions for you too

Don't hang up the phone no matter what you do

They're gunna help, they'll see you through...on Zero Zero Zero

What number do you press there on your telephone?

What number do you press there when you're all alone?

What number do you press there on your telephone?

You need help and you're all alone.

What number do you press on your telephone?

You remember what it is?
