'The Great Australian Scout Cook Off'

Cub Scout Program – Candle Cooking

Opening Activity	
Resources	Australian Flag
Notes on Opening Activities	There should be an Opening and Closing Activity associated with the meeting whether at the den or on camp or away from the den. Wherever possible the Opening and Closing activities of each youth meeting should be led by youth members who have been trained for these roles. Ideally every youth member should be progressively involved in taking an assisting or leading role in an Opening or Closing Activity once a semester. Refer – pr.scouts.com.au – A Guide to Ceremonies in Australian Scouting
Game	Pancakes with Fruit Salad
Resources	1 chair per patrol
Game Play	Cub Scouts line up in Patrols at one end of the den/hall. A chair is placed at the other end of the hall opposite each Patrol Each Cub Scout is given an ingredient name that goes into pancakes – Flour, sugar, milk, eggs, bowl, spoon etc When one of the ingredients is called out 'flour' the Cub with that ingredient runs to the end of the hall and around their chair and back to the Patrol – first Cub Scout back wins a point for their Patrol This continues for each Patrol member (ingredient) and a point is awarded to the first Cub back and point noted – winner is first Patrol to 5 points When the word 'pancake' is called out the entire Patrol has to run to the end of the den/hall, around their chair and back to the starting position lined up in ingredient order
